Pitzer College
New Student Orientation

Dear incoming students,

Congratulations and welcome to Pitzer College! My name is Sophia Hunt and I am one of your New Student Mentors. During my first year at Pitzer, I have come to love the supportive and tight knit community. The people here are eclectic and chill. They are open to new ideas and perspectives that may agree with or challenge their own. I have met some of my closest friends through affiliated groups (BSU), intriguing classes, and of course Orientation Adventure. Also, I especially love having opportunities to dine and take courses at the other colleges. Once you arrive, I hope you take advantage of all of our wonderful spaces such as the pool, the shakedown, the grove house, and the mounds.

Here is a little about myself. I was born and raised in Oakland California and currently live near Pasadena. As such, I am a fan of the Golden State Warriors and the Giants (I am still Bay Area at heart). I like to watch anime and Marvel/DC movies in my free time as well as do the occasional mandala or friendship bracelet. I enjoy listening to Spotify when I am bored, trying to be productive, or just hyping my friends up. My favorite artists are currently J. Cole, Drake, and Kendrick Lamar. Also, I am a sucker for anything sweet. I will also be leading the Beach Camping Carpentaria orientation trip (the same one I took last year). Feel free to come talk to me when you need advice or just want to hang out, I live on the third floor of East Hall. Or, you can contact me at sohunt@students.pitzer.edu. I can't wait to meet you!

Sincerely,
Sophia Hunt
