

Pitzer College Summer Housing Information and Application

Summer Session students are not required to live on campus.

Pitzer College offers on-campus summer housing through the Office of Student Affairs, Scott Hall 130. Housing is open to Pitzer College students, Pitzer College graduates, and students enrolled in Pitzer Summer Session courses. Student Affairs staff will be available during the summer to offer a range of academic and residential support services. Some services will be limited and the College's comprehensive residence life program will not be in effect during the summer.

Residents must be doing coursework, internships, research with faculty, working at Pitzer, or be otherwise engaged in approved activities on campus during the summer to qualify for housing.

Only a limited number of rooms are available and are reserved on a first-come-first-served basis. Make your reservation early.

Program Dates

Housing is available starting Saturday, May 23 and ending at noon on Saturday, August 15. Pitzer students currently living on campus may be given permission to stay in their current room until their summer room is ready.

Students enrolled in Pitzer Summer Session courses may only live in summer housing until the end of summer classes unless they are continuing with additional coursework, internships, research with faculty, are working on campus, or are otherwise engaged in approved activities on campus.

Rooms may be rented on a weekly basis.

Location and Dormitory

Housing will be in a residence hall (yet to be determined) on the Pitzer campus. Single and double-occupancy rooms will be available.

Cost

Double rooms are available at \$90.00/week per person.

Single rooms are available at \$150.00 per week.

A refundable damage deposit of \$150.00 is required at check in.

Summer housing charges are due at check in and may be paid in full or in weekly installments. If you are a Pitzer student, or a non-Pitzer student enrolled in Pitzer summer courses, you may charge summer housing to your student account.

Kitchen and Dining Options

A regular board plan is not available during the summer. However, at least one dining hall of the Claremont Colleges is generally open throughout the summer, and students may purchase meals on a cash basis. Prices will vary, but are typically as follows:

Breakfast	\$4.00
Lunch	\$6.00
Dinner	\$7.00

Prices may vary and are estimates only

In addition, residents will have access to the dormitory kitchen during scheduled hours. The Grove House and The Hub will be open for lunch. Weekly van trips will be made to the supermarket and/or mall.

Recreation

Barbecues and other recreational activities will be planned throughout the summer. Gold Center swimming pool, game room, big screen TV, and fitness room are right next door and will be open on a limited basis during the summer.
