SCHOLARSHIP ASSIGNMENT INFORMATION SHEET

Please complete this form and return it to the Financial Aid Office.

Scholarship funds are made possible through contributions from donors. These scholarships serve to underwrite Pitzer's financial aid grants. It is necessary for us to have information about you and your interests in order to assign scholarships. This information will also enable us to notify donors, thank them for their support, and provide a brief profile about you. **If you are assigned a scholarship, a portion of your Pitzer Grant will come from that source; it will not change the amount of your Pitzer Grant.**
