

## **Consortium for Faculty Diversity/ Diversity Postdoctoral Fellowship**

The Consortium is committed to increasing the diversity of students, faculty members and curricular offerings at liberal arts colleges with a particular focus on enhancing the diversity of faculty members and of applicants for faculty positions.

The Consortium was founded as an association of liberal arts colleges committed to strengthening the ethnic diversity of students and of faculty members at liberal arts colleges. The early goals of the Consortium with regard to faculty diversity included encouraging U.S. citizens who are members of under-represented minority groups to complete their graduate programs and to consider faculty employment in liberal arts colleges.
