

Keck Neurosciences Major

Cellular-Molecular Neuroscience Sequence

Faculty mentors: Professor Newton Copp, Professor Melissa Coleman

Suggested Tier 2 courses

- Physics
- Calculus
- Biostatistics

Suggested sequences (any may apply)

4 courses

- Molecular biology
- Cell biology
- Genetics
- Biochemistry

4 courses

- Anatomy or mathematical physiology
- Physiology
- Developmental biology
- Genetics

4 courses

- Neuropharmacology
- Physiological psychology
- Biochemistry
- Organic Chemistry

4 courses

- Animal behavior
- Comparative physiology
- Ecology
- Evolution

Note: Pomona neuroscience courses can fulfill the sequence requirements.
