

## **Keck Neurosciences Major**

### **Neurophilosophy Sequence**

Faculty Adviser: Professor Brian Keeley (Pitzer)

Students should take four courses from the following list:

- Phil 30: Knowledge, Mind & Existence (PZ)
- Phil 80: Philosophy of Mind (PO) OR Phil 135: Philosophy of Mind (CMC)
- Phil 103: Philosophy of Science: Historical Survey (PO)
- Phil 104: Philosophy of Science: Topical Survey (PO)
- Phil 106: Philosophy of Biology (PO)
- Phil 185C: Topics in Philosophy of Cognitive Science (PZ)
- Phil 185N: Topics in Neurophilosophy (PZ)
- COGS 123: Minds, Brains & Programs (Joint taught)

Other courses in metaphysics, philosophy of mind, and epistemology may be offered at the Colleges that can be added to this list. Please consult with Prof. Keeley, if you'd like to know whether a given philosophy course might be counted towards neurophilosophy concentration.
