The Mighty Sagehens

Pomona-Pitzer Athletics won three SCIAC Championships and fielded two D3 Players of the Year and one individual national champion during the 2016-17 season. The Sagehens tallied a total of 14 postseason appearances and produced 32 All-Americans, seven SCIAC Athletes of the Year and four SCIAC Newcomers of the Year. Coaching honors included one national Coach of the Year and four SCIAC Coaching Staffs of the Year.

Student-athletes train at the Liliore Green Rains Center for Sport and Recreation, which houses two gymnasiums, four regulation basketball courts, racquetball, squash and handball courts and a weight-training and cardio facility. Near the Rains Center are 14 all-weather tennis courts, two soccer fields, an all-weather track and field facility, baseball and softball diamonds and our football field. The Haldeman Aquatics Center has a 50-meter Olympic-size pool with one- and three-meter diving boards, locker rooms and training rooms.

Club and Intramural Sports

The Claremont Colleges also provide athletic opportunities for students through intramural competition and physical education. Each year, approximately 900 students compete in 17 intramural sports and 12 club sports. Club sports are organized by students of the five undergraduate Claremont Colleges. In 2017, the Claremont Colleges Lions Men's Rugby team won the 2017 National Small College Rugby Organization National Championship.
