

## PRE-MED @ PITZER

Pitzer College offers pre-health advising for students through Keck Science, our shared science department with Claremont McKenna College and Scripps College. While our pre-health adviser supports students interested in anything from dentistry programs to veterinary pursuits, this information is specifically geared towards pre-med students hoping to go on to MD or DO programs.

### Top 10 medical schools attended by Pitzer College students:

Western University Linkage\*  
University of Southern California  
Case Western University  
Kansas City University\*  
Medical College of Wisconsin  
Touro University CA\*  
Tulane University  
UC Irvine  
Western University  
Boston University  
University of Chicago Medical  
George Washington University  
Hawaii University  
Hofstra University  
Pacific Northwest\*  
St. Louis University  
University of Washington—Seattle  
UC San Diego
