Davis UWC College Scholar Member School

The Davis United World College Scholars Program provides grants to selected American colleges and universities to support United World College graduates who matriculate to member schools.

Pitzer became a member institution in 2013, and regularly visits and conducts interviews at United World College campuses around the world.

International Baccalaureate (IB) Credit Policy

Maximum of four AP and IB credits (combined) will be granted. Four credits may be granted for an IB diploma. If certification diploma is not completed, individual courses or exams completed toward the certificate may be given credit. Credit will not be awarded for subsidiary exams. IB credits are applied toward the 32 course graduation requirement, but may not be used to satisfy the Educational Objectives requirement.
