Career Action Plan

Job/Post-Grad Search

- Apply to jobs as early as possible and, in some cases, reach out to your target employers before jobs are even posted
- Be organized so you can meet grad school and fellowship application deadlines

Job/Post-Grad Search

- Meet with a career adviser as needed to support your job search or grad school applications
- Relentlessly network, making new contacts and benefiting from the relationships you have built
- Attend career workshops, employer info sessions and career fairs at Pitzer and at the other Claremont Colleges

And Remember...

- Don't stress if you receive some rejections or if you decide to change your career plan—Career Services is here to support you
- Career Services doesn't go away once you graduate—as alumni, you will still have access to Handshake, career counseling, networking and other career resources
