COMMUNITY ENGAGEMENT CENTER AND CASA PITZER'S 20TH ANNIVERSARY

This Spring the Community Engagement Center and CASA Pitzer will be celebrating their 20th Anniversary at Pitzer College. We will be honoring the work of our staff, community partners and students at this year's Alumni Weekend. For more information on attending, please visit our websites.

PROMISE SCHOLARS AT PITZER

On March 8th, the CEC will be hosting 300 Students from Vina Danks Middle School in the Promise Scholars program for a College Visit Day. Visiting students will have an opportunity tour the campus, take part in an interactive scavenger hunt, experience a lecture and student panel.

***The CEC is seeking current Pitzer students interested in volunteering for this visit. We are looking for 20 tour guides that will participate in the scavenger hunt and 5-6 panel speakers. This an amazing volunteer opportunity and a great chance to show kids from the local community, many whom are First Gen students that anything is possible. For more information please contact our office at cec_staff@pitzer.edu or stop by.

PROJECT PERIGLES D4D: LETTER TO AN ELECTED OFFICIAL COMPETITION

Last year in the D4D competition, one of our students made it to the finalist pool and received an award to bring her group's proposed action project to fruition (that was Amber Burkart, whose team of inside-out classmates wrote a letter about support for transitional housing for the formerly incarcerated; she is now making a documentary on this need)

Recently we learned that 2 of our 4 Pitzer letter submissions made it to the semi-finalists. If they make it to the finalists, the authors will be flown out for the D4D conference this Spring. For more information on the D4D Letter Writing Competition visit our website or contact us at cec_staff@pitzer.edu.
