WEEKLY COMMUNITY ENGAGEMENT TIP

Outtakes!

It's that time of year! As we begin to close out our semester, the CEC would appreciate if all students who participated in Social Responsibility Praxis courses (SRX) and community engagement could fill out our short CEC Student Survey! Your participation in this assessment would be of great support to our community partners and campus efforts to strengthen community engagement resources and programs. This survey will close by December 17th! If you complete the survey by December 3rd (this

Friday) you will be entered to win a \$25 visa giftcard!

WEEKLY STAFF SPOTLIGHT

This week the CEC would like to introduce you to our Community Engagement Office Manager, Jack Contreras.

4

Jack (she/they) has been a part of the CEC family for about years, but began her time at Pitzer as the Lead Barista in the PitStop 6 years ago. She is the owner of three wonderful but sometimes annoying kitty cats named Tink (17), Atticus (10 and also pictured with Jack) and Azimuth (6). She is a lover of all things spooky and as you could guess her favorite time of

year is Halloween. She also loves going to concerts, and spending time with people she loves. She is also a current Pitzer student in her final year! Here's some fun things you might not know about Jack!

What do you love about your job or working at Pitzer? I love that I get to learn new things all the time, and that I am part of a nurturing team. Pitzer has some pretty solid people here that I hold dear to my heart.

How do you practice self-care?

Boundary setting is a newer practice for me that I am slowly getting more comfortable with implementing. But for on the go, in the moment I put on my headphones and listen to my go to songs to get me in the right headspace.

What are you some of your favorite hobbies?

I absolutely love singing. It's probably something most don't know about me. I've been singing my whole life, and really enjoy it. I also love going to spooky halloween conventions, and crafting with my friends!
