

# THE PEOPLE'S PITZER CIVIC ENGAGEMENT

TPP Newsletter 11/22-11/26/2021

## Weekly Spotlight

**Project Pericles**, one of the Community Engagement Center's community partners, is a vibrant consortium of colleges and universities that promotes civic engagement within higher education. Building on the innovative vision of Eugene M. Lang, Project Pericles works in the classroom, on the campus, and in the community. Project Pericles is at the forefront of civic engagement and social responsibility in areas including faculty and course development, curricular coherence, and research into best practices. They empower college students by giving them the tools they need to solve society's grand challenges: Climate Change, Education

Access, Immigration, Mass Incarceration, Public Health, Race and Inequality, and Voter Engagement. Learn more about their organization [here.z](#)

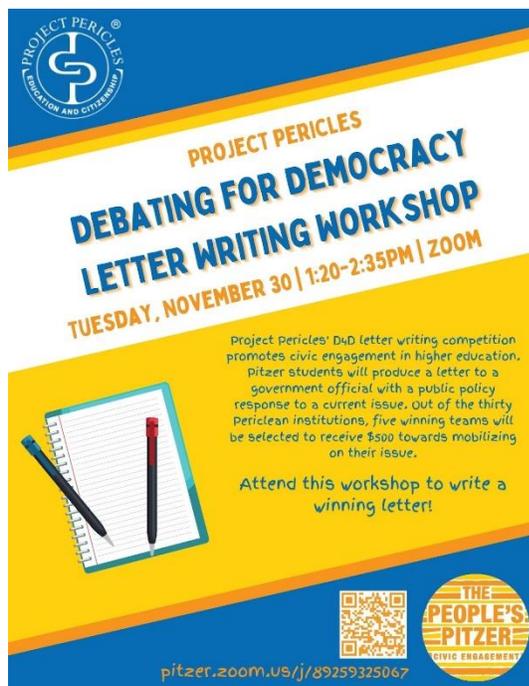

## Volunteers Needed

### Debating for Democracy Letter Writing Competition

Every year, Pitzer works with Project Pericles to promote civic engagement within higher education through a letter-writing project: [Debating for Democracy \(D4D\)](#). D4D is an annual competition where students research, develop, and advocate their opinions and positions on current public policy issues. Pitzer students will produce a co-written (two Pitzer/non-senior students minimum), two page letter to a federal or state elected official advocating for a legislative response to a current issue. The primary goal of D4D is to inspire and encourage all participants to become successful and resourceful advocates in their community. Out of the thirty Periclean institutions, five winning teams will be selected to receive \$500 towards mobilizing on their issue back at their home college the following year.

Interested in participating? Learn more about this competition by reviewing the Request for Proposals (RFP) [here](#) and our rubric based on the RFP to guide letter writing [here](#). Letters are due in March 2022 but we recommend getting started as soon as possible - winter break would be a great time to start! You can view previous winning letters [here](#) as well as a helpful infographic we have created [here](#). TPP will host a letter-writing workshop later this month to assist students interested in participating.
