## PILLAR SPOTLIGHT

### **What is Direct Action?**

Direct Action is a pillar at the CEC centered on social action and activism at Pitzer, the surrounding community, and the communities of our students.

### **How can you get involved with Direct Action?**

The best way to get involved with Direct Action is by paying attention to the newsletter! Every newsletter has mutual aid boosts, campus resources, action events, petitions, and a place to submit your own action items.

### **What are some goals you have for the year?**

One goal I have this year is to establish effective communication with CEC/Direct Action and affinity groups.

### **Are there any important dates/events we should be looking out for?**

We are currently working on the above goal and are holding a dinner for club leaders!

### **What do you like most about being part of Direct Action?**

All my supervisors are very understanding and kind. It's a healthy work environment and we really work to make a community among ourselves!
