There are many Pitzer College Career Services resources that provide a great place for you to start your internship search. Also, many internships can be found by talking to faculty members and by using your network (friends, family, alumni).

## Primary Resources

### Handshake

<https://pitzer.joinhandshake.com/login>

Handshake is an online career information system. Resources include the ability to make career counseling appointments, access to on-campus, part-, and full-time job and internship listings, and On Campus Recruiting (OCR) and job shadowing opportunities. Additionally, students can view the employers and graduate and professional schools who come to campus as well as those employers who attend Career Fairs.

### Internships-USA (CEI Internships)

According to their website, "The Los Angeles County Arts Internship Program funds nonprofit performing, presenting, literary and municipal arts organizations to host college students in paid internships throughout the summer. The program is a sister program to The Getty Foundation's Multicultural Undergraduate Internship Program, which provides similar internships in museums and visual arts organizations."

### National Science Foundation (NSF) - Research Opportunities for Undergraduates (REU)

[/www.nsf.gov/crssprgm/reu/](http://www.nsf.gov/crssprgm/reu/)

According to their website, "NSF funds a large number of research opportunities for undergraduate students through its REU Sites program. An REU Site consists of a group of ten or so undergraduates who work in the research programs of the host institution. Each student is associated with a specific research project, where he/she works closely with the faculty and other researchers. Students are granted stipends and, in many cases, assistance with housing and travel. Undergraduate students supported with NSF funds must be citizens or permanent residents of the United States or its possessions."

### New York Foundation for the Arts
