

ABOUT THE OFFICE OF BLACK STUDENT AFFAIRS

The Office of Black Student Affairs is an administrative office and cultural center. **We are a shared service** within The Claremont Colleges Services and work on behalf of all seven colleges.

Founded in 1969 by Claremont Colleges student activists, OBSA provides a safe, inclusive and supportive space and avenues of engagement for faculty, staff, alumni and the colleges as a whole.

OBSA's professional staff are Lydia Middleton (Dean), Dr. Latreace Cox (Associate Dean), and Sonya Lincoln (Administrative & Events Coordinator). **OBSA's student fellow roles are filled by graduate and undergraduate students across the 7Cs.**

Staying informed is easy. We share our monthly magazine with 7C communities via student and subscriber lists, and our linktr.ee contains RSVP forms, access forms, applications for a range of opportunities and more. We use social media to share OBSA and general events, shout out student accomplishments, highlight unique opportunities and amplify campus life.

HOURS OF OPERATION

Stop by the OBSA Main House for office hours to chat with OBSA staff! We are here Monday-Friday, 9am – 4:30pm & by appointment. During business hours, the Main House and Bungalow are accessible for casual use by swipe access or staff onsite.
