

Because You Can't Predict
When She'll Need You

Bright Horizons Back-Up Care[™]: Qualified, Reliable Adult and Elder Care

Mom broke her ankle; Dad needs help with meals; your spouse is at home, recovering from surgery. How can you give loved ones the help they need...even if you live far away?

Bright Horizons Back-Up Care (formerly Back-Up Care Advantage[™]) has your answer. When you register for your benefit, we'll help you find last-minute replacement care, a caregiver for a plan-ahead event, or someone to check in on Mom and Dad whenever you need an extra hand.

Just tap, click, or call, and we'll find the high-quality care you can trust — whenever you need it.

And you also have access to *Bright Horizons Additional Family Supports*[™], which provides elder care planning resources and referrals, as well as helpful assessment tools, guidance finding specialized facilities, and more.
