

Pitzer College

NEW STUDENT ORIENTATION

Hello Transfer Students!

WELCOME! I am thrilled to welcome you to the Pitzer College! Your time at Pitzer will be an incredible experience on your journeys growing into the people you aspire to be. You've chosen a wonderful place where there's a stimulating campus atmosphere, incredible opportunities, and a vibrant community.

I know transferring can sometimes be a tough process, which is why I'm here to help. My name is Ali and I will be your Transfer Mentor this year! I'm a fourth year who's a double major in Neuroscience and Psychology with a Biology minor. I'm also a captain on the Pomona-Pitzer Swim & Dive team, work as a student athletic trainer, tutor researcher methods, and have served as a New Student Mentor and OA Leader. As you can tell, Pitzer is a place where there are endless opportunities to get involved and be a part of a community.

Between moving across the country to attend Pitzer and spending a semester abroad in Australia, I certainly know what it's like to be in a completely new environment where you don't know anyone. If you have any questions, concerns, or just want to hit me up to chat about Pitzer, I would love to talk. My email is aqueen@students.pitzer.edu. Don't be afraid to reach out!

I look forward to meeting all of you! You're going to have an amazing time here.

Best,
Ali
