Pitzer College

NEW STUDENT ORIENTATION

Dear Class of 2021,

Welcome to Pitzer College! I am beyond excited to meet all of you! We are going to have a great year together! One of my favorite things about Pitzer is the sense of community. Students are coming from many different backgrounds and from all over the world, but ultimately, at Pitzer, the student body is able to form a close knit, fun, supportive community! As your mentor, I am here to help you adjust to college life, whether it be academic related, or personal life related. I'm here to support you in whatever you need! Always feel free to contact me or stop by my room, I would be more than happy to talk to you about anything!

A little about myself- I am a rising senior, from Sacramento, California. I'm majoring in Sociology and minoring in Media Studies. I love to play soccer, go on hikes, go to the beach, and travel! I spent last semester studying abroad in Australia! In addition to being your mentor, I will also be leading your OA (orientation adventure) trip, along with 3 other amazing leaders, Aviva Wolf-Jacobs, Elliot Joyce and Kendal Carr. I went on this trip my first year, and I led one of the LA Food and Arts trips last year as well, it was so much fun! We are so excited to explore LA and eat bomb food with you all!

College can be a really intimidating experience, but fortunately, Pitzer provides so many opportunities for you to meet people, and really helps you adjust to college. I have absolutely loved my Pitzer experience so far- we are really one big family, and we can't for you all to become part of it! I hope you have all had an amazing summer, and I can't wait to meet all of you in August!

Best,
Aria Tung
