## Pitzer College

# NEW STUDENT ORIENTATION

Hi everyone!

My name is Clint Isom and I look forward to meeting all of you in August. Pitzer is a great school, and you definitely made the right choice. My favorite thing about Pitzer is our amazing community and the incredible friends and connections that I have here. As your mentor, I'm here to provide any support or guidance you may need as you make your way through your first year of college. Please feel free to come to me at any time for any reason, be it academic or social. I have no doubt you will love Pitzer and your first year of college will be an amazing experience. I'm sure I'll get to know all of you very well as the year progresses, so here is a little about me: I'm majoring in computer science and minoring in economics, I ride horses in my free time as well as play the piano, guitar, and sing. Despite my math heavy major, I'm very artistic, and I love drawing and doing graphic design. Please feel free to contact me on social media or via email:
