## Pitzer College

# NEW STUDENT ORIENTATION

Welcome Future Sagehens!

I hope each one of you is well! My name is Deve (Dev) Mehta and I am going to be your mentor for the 2017-2018 year! A little about myself, I am a first generation, low-income Indian American from Dallas, Texas! I am a rising sophomore who is designing my own major in Public Health with an emphasis in HIV/AIDS advocacy. In my spare time I like to blog, take pictures, watch shows like Gossip Girl and Grey's Anatomy, as well as maintaining my henna business- @hennabydev.

I am very much excited that you all are coming to Pitzer! Pitzer is a wonderful college with some of the most amazing people out there! You will learn a lot of things in and outside of class! Coming into college can be both an exciting and nerve wracking thing. However, that is completely normal! I along with Olivia Klugman and Sam Sjoberg will be your Orientation Adventure (OA) Leaders as well! We are very excited to get to know you all further and spend time doing group activities as well as chilling at the beach.

Some things to consider upon coming to Pitzer: Try to engage with your fellow peers next year through social media outlets like Facebook! You would be surprised how through social media like Facebook or Instagram can help you connect with people who could be your friends. Be sure to spend as much time with your family and friends as you can, they will miss you!

Moreover, if you have any questions at all, please do not hesitate to email me at [dmehta@students.pitzer.edu](mailto:dmehta@students.pitzer.edu). I am here for you all and want to be able to help you all become adjusted to college!

Much love to you all!

Deve Mehta
