Pitzer College

NEW STUDENT ORIENTATION

Hey!

You did it! You're officially apart of the Pitzer community! Congratulations! My name is Emelee and I will be your New Student Mentor (woop woop). I'll be a sophomore this fall and my goal is to double major in Psychology and Portuguese. I'm originally from New York City but I went to a small boarding school in Southborough, Massachusetts.

I'm super excited for our awesome Orientation Adventure: LA Arts, Food & Coffee Culture. Together we will venture through LA neighborhoods and learn so much about the delicious food and coffee the city has to offer. Hopefully we'll get to visit cool spots like the Venice Beach boardwalk, the Getty Museum, and the Griffith Observatory. I'll be leading this amazing trip alongside three of the coolest people I know: Mia Kenworthy, Grace Greene, and Arman Ahmed. The four of us will work together to try and make your transition to college as smooth as possible.

College is a new and daunting experience for many of you but I'm here to assist you with any questions or concerns you may have. I'm more than happy to talk to you about your classes or anything else you're interested in. I'm sure you'll love the school and the community as much as I do! If you have any questions before you arrive about classes, student life, what you should pack, etc., please don't hesitate to ask. You can contact me at epineda@students.pitzer.edu. See you on move in day!

Much Love,
Emelee Pineda
