# NEW STUDENT ORIENTATION

Welcome Class of 2021!

My name is Imdad, and I am your New Student mentor, and one of your OA leaders for SoCal theme parks (alongside Estefanía Gallo Gonzalez, Lancelot Liu, and Naima Orozco, all of whom are awesome and cool people!) We are going to be visiting some amazing theme parks while getting to know each other, and the different areas of Southern California; it will be a great way to situate yourselves with the area that you will be your home for the next four years. I am a Biochemistry major, on the pre-health track from both Boston, MA (go Patriots!) and San Diego, CA. Freshman year can be stressful at times, but it has also been one of the best years of my life; Pitzer, Claremont and the other colleges are special places with a lot to offer.

In my free time, I enjoy meeting new people around the 5C's, going to dance parties, playing just dance, singing karaoke, baking, cooking, eating, going hiking, watching movies and marathoning TV shows, going to beaches and just having fun. If any of you ever want to hang out, dance, talk, sing, eat, have fun, or if you are ever just bored and looking to spice up your evening, email me at [ihaque@students.pitzer.edu](mailto:ihaque@students.pitzer.edu) or friend me on Facebook (Imdad Haque), and we can meet up!

As a mentor, I am more of a guide and friend than a figure of authority, please don't fear me! The time between graduation and the start of freshman year can seem like ages, if you want to know anything, or if you have any concerns, please contact me! I look forward to seeing you all fall in love with Claremont in the fall.

Cheers,  
Imdad
