## Pitzer College

# NEW STUDENT ORIENTATION

Greetings up and coming Pitzeronis,

Congrats on your acceptance to Pitzer! This is such an exciting and unique time in your lives and I'm so stoked for each of you to begin your journey here in the fall! The opportunities here at Pitzer are endless. My job as your mentor is to make your transition into the PZ lifestyle as smooth as possible, so you are free to reach out to me at any time if you need any advice or have any questions. My email is [jfolsom@students.pitzer.edu](mailto:jfolsom@students.pitzer.edu)

Here's a little more about me and the other OA leaders that will be on our surfing trip! I am a rising junior from Glendora, CA majoring in sociocultural anthropology and minoring in history. I am one of the managers at The Shakedown Café and in my spare time I enjoy playing tennis, exploring the outdoors, discovering new music, and reading. Nico De Toledo is a rising junior from Maryland majoring in geology. In his free time he likes to hike, surf, go to the gym, and do art. Elle Neal is a rising sophomore from Portland, OR majoring in human biology. She works at Prototypes Women's Center and helps teach a class that promotes GED attainment and college access. She is also a writing center fellow and enjoys running, biking, cooking, and exploring LA's food scene in her free time. Brandon Hull is a rising senior from Kailua, HI majoring in biology on the pre-med track. He is involved in Hawaii Club, A Cleaner Tomorrow (ACT), First-Generation Club, the 5C surf team, and the 5C Snow/Ski Club. He also plays intramural softball and flag football.

We are all so excited to meet each of you and give you our warmest welcome to Pitzer as ours! I hope each of you enjoys your summer!

All the best,  
Jess Folsom
