## Pitzer College

# NEW STUDENT ORIENTATION

WELCOME TO PITZER!!! WAHOO!!

Ahoy! Congrats on your decision to come to the best place in Super-Sunny-Sizzle Southern California. My name is Max Meyers. I'll be your mentor this coming semester, and I'm *super stoked* to meet you! Pitzer's a pretty great place.

Just for spits and giggles, I'll give you a sneak peek into my life on campus. I'm planning on majoring in math and geology, and I enjoy Ultimate Frisbee, camping, rock climbing, knitting, maps, drawing, and gardening. However, I really get my kicks from adventuring into the great unknown -- everywhere from the coziest corner of the library to the treasure-filled depths of the campus dumpster.

This letter simply wouldn't be complete without mentioning the other three kind Pitzer souls who will also be leading us across the treacherous sea and through the Catalina wilderness, Zach, Eve, and Xannie. We are all excited to experience the upcoming Orientation Adventure with you!

I very clearly remember the trepidation (and excitement!) that came along with my first weeks of college. If you have any questions or concerns, or if you just want to chat about college life, don't hesitate to get in touch with me. My email is [mmeyers@students.pitzer.edu](mailto:mmeyers@students.pitzer.edu).

Yours Truly,  
Max
