

SUBJECT: Weekly Housing Selection Update

Hello Pitzer Students,

We recognize that housing selection has been a historically stressful process during the best of times, this **weekly update** is written in the hopes to lessen that stress for our community. This year we have moved the Housing Selection process onto an entirely online platform called Residence. As such, the Housing Selection has 3 main phases:

1. Application
2. Roommate Group and Room Search
3. Selection

Detailed notes and screen shots of each phase can be found on our [Housing Selection Website](#). This is a new process for the Residence Life staff, so students are encouraged to reach out to Housing@pitzer.edu with any questions in regards to creating roommate groups and searching rooms.

Phase 2: Roommate Groups and Room Search

- **Now Live!** – Students participating in the housing selection process can now make roommate groups and explore available rooms and bed spaces.
- **Group Members** - Please note that all members of the roommate group must be approved to participate in Housing Selection. Off Campus, Study Abroad, Pre-placed due to a disability, and student leaders have already been notified of their status, so they do not need to make groups.
- **Group Sizes** – Remember that group sizes must match the number of remaining beds in a suite/apartment when the final selection time arrives. Perfect matches will be highlighted in blue.
 - Need one extra person in a double room in order to complete the suite/apartment you have your eye on? Contact Housing@pitzer.edu and we can add a placeholder for a future Transfer/Exchange/Double deferred student.
- **Single Room Availability** – after pre-placed students, the % of single rooms available for housing selection:
 - 0% of WES single rooms
 - 29% of Mead single rooms. Sophomores are not eligible for Mead single rooms.
 - 86% of CCA single rooms. Sophomores are eligible for CCA single rooms.
- **New Quicklinks** - available on the Residence Homepage.
 - Floor Plans for Residence Halls
 - Layouts of WES, Mead suites and CCA apartments
 - Pictures of Apartments and community amenities for CCA

Phase 3: Selection

- **Individual Selection Times** – Individual Selection times will be released as we near Phase 3: Selection.
