Dear Returning Pitzer Students for Fall 2021,

Congratulations on all of your hard work in completing the Spring 2021 semester! As promised, this is yet another update from Residence Life and Housing to continue giving information as we move closer to fall semester. Our update today will cover updates on the housing applications we received, the Returning Student Housing Selection timeline, and more move-in information. We welcome your questions and feedback on these updates as we want them to be informed by student input!

Student Housing Selection Updates
The Housing Selection process is facilitated entirely online using our Residence software system. As such, the Housing Selection has three main phases:

1. Apply (Completed)
2. Roommate Groups and Room Explore (New Dates Announced!)
3. Select Rooms (New Dates Announced!)

Detailed notes and screen shots of each phase, and all prior Housing Selection Updates can be found on our Housing Selection Website. Students are encouraged to reach out to Housing@pitzer.edu with any questions in regards to the Housing Selection process.

Housing Applications
- Off-Campus Housing
• Students still interested in off-campus housing for fall semester are encouraged to apply as we do have some availability left. The Off Campus Housing application can be requested at housing@pitzer.edu for review on a case-by-case basis.

• **Room Accommodations for Disabilities Application (RADA) Housing**
  • Although it is now past the deadline, this application can still be requested at housing@pitzer.edu for review on a case-by-case basis.

• **Sophomore Year Experience (SYE) Housing**
  • The incoming first-year class is projected to fill all Skandera Hall double suites at this time. Students in SYE Housing will be in West and East Halls.

• **General Housing Selection**
  • Based on current applications, around 200 single rooms are projected to be available as part of the General Housing Selection process, more details on location and suite types will be available when Final Room selection begins.
  • Due to SYE housing interest and new student class size, we do not project any West and East double suites to be available for Juniors or Seniors at this time.

**Housing Selection Dates**
• We expect to receive more guidance from LACDPH on what campus life will look like for fall semester sometime in June. So, we have now established the Housing Selection timeline below with this in mind.
  • Hopefully students will get more of an idea of what campus life will look like in June and be able to make informed decisions on who they’d like to live with, and where they’d like to live, prior to their final housing selection in late June.
