

Dear Student,

We want to let you know that we've activated additional information and resources regarding placement tests on the NSO 2023 Sakai page! Please log in with the links below to start reviewing those. Please pay close attention to dates and requirements as these vary throughout the summer.

[Sakai Log In Information](#)

[Sakai Log In Page](#)

We will also be hosting a few info sessions prior to your arrival on campus. These will help you decide which placement exams to take (if any) as well as provide other insights into academics at Pitzer.

Foreign Languages Open Office Hours

July 10th, 1:00 - 2:00 PM (PDT) and August 25th, 9:00 - 10:00 AM (PDT)

The link to join the meeting and chat with Profa Paula is available on Sakai.

Success in the Sciences and Pre-Health Program Info Session

Wednesday, August 15, 11:00 AM PDT

Zoom link: available on Sakai

A recording of this session will be available on Sakai later for those who cannot attend.

Math, Computer Science, Data Science Information Session

Wednesday, August 16, 11:00 AM PDT

Zoom link: available on Sakai

A recording of this session will be available on Sakai later for those who cannot attend.
