Student Name _____

Program _____ Semester & Year _____

Planned Major(s) _____ Minor _____

Student: Discuss your proposed study abroad program with your academic adviser. Mark courses intended for major credit with an asterisk and have them initialed by your major adviser. **Students studying abroad fall or spring are required to take a course load equivalent to four Pitzer courses. Credits on some programs may be expressed in semester, quarter, or other units. This may involve taking as few as three or as many as eight courses.** Use the most recent course catalog available since this selection is preliminary. Course offerings may change without notice or there could be scheduling conflicts, so list alternates if applicable. Upload this completed, signed form to your application.

1. LANGUAGE COURSE Students in non-English speaking locations are required to study the host country language. Students who have completed advanced level coursework in the host language are expected to take most of their courses in the host language.

Dept. or Field	Course Title	Pitzer Course Credit

2. CORE COURSE All students are required to take at least one class that provides in-depth background, preferably interdisciplinary, on the host country. Indicate the course you will take to meet this requirement.

Dept. or Field	Course Title	Pitzer Course Credit
----------------	--------------	----------------------

3. OTHER COURSES Students could take one to six other classes, depending on the program, in addition to those listed above to equal four Pitzer courses. Include at least two alternate courses per semester unless the program offers only a prescribed course of study.
